MAYOR’S REPORT & COUNCIL NEWS

Local Government Council Elections
The Council elections are fast approaching. For any person contemplating standing, time is running out to attend ordinary meetings and see firsthand the procedure of meetings. Attending can provide a valuable insight and is recommended.

Council will provide information packs and a briefing session for potential candidates, on 27 August 2014.

Local Government can be an extremely rewarding experience. I would recommend that any person who may be interested to contact Council for further information.

Men’s Shed
If any person is interested in the formation of a MEN’S SHED@ROBE could they please contact Council. If there is sufficient interest, a meeting to progress the formation can be considered. The Men’s Shed concept has become mainstream across many towns in regional Australia and provides an important avenue for men to share skills and contribute to community projects while maintaining skills and sharing in companionship.

Belgiorno’s Farewell Fundraiser
On Sunday 29 June 2014, Maria, Anna and the staff at Belgiorno’s hosted a farewell tapas evening with proceeds gifted to the Robe Ambulance Service. Guests were greeted by Deb Mackey and Sarah Girvan on behalf of the ambos. Maria and her staff entertained with a sumptuous tapas selection and this was followed by a charity auction.

Thank you to the may generous sponsors, Woodsoak Wines, The Caledonian Inn, Governor Robe, Steff Kennett, Cape Thomas Wines, Robert and Sissy Roach, Jo-Jo Spook, and Mick for his Smokey Bay oysters. Also thanks to Christos Stoios for assisting with the auction. All in all it was an enjoyable evening.

CCOWS has many reasons to celebrate. We have just had a two week break, and we have been able to have all our carpets and mats shampooed, a built-in desk has been installed in the RSL office, and we hope everyone has recovered from illnesses and are now rested and ready for action. Another reason for celebration is the much deserved awarding of the CCOWS Perpetual Trophy (the “Supercow”) to Mardi Brooks, one of our more recent local employees. It is fitting for us to acknowledge when individuals contribute positively to their profession and workplace. All our staff and children appreciate the dedication, ability, knowledge and good humour that Mardi brings to the service. Well done, Mardi. And yet another reason to celebrate is the receipt of two grants from the Australian Government Department of Education. These Grants total $130,000 and MUST be used for designated purposes within a certain amount of time. CCOWS will be able to replace vehicles, facilitate professional development for staff and purchase resources which will support a high quality of service delivery. We are fortunate to have the present Federal Assistant Minister for Early Childhood, Sussan Ley, coming from a rural electorate. The Hon. Sussan Ley, really appreciates the concerns and dilemmas which rural and regional families experience, and is supportive of mobile services. That’s definitely another reason for celebration. So smile along with us.

Robyn and the CCOWS team.

POOL OPERATORS TRAINING COURSE – 12th and 13th AUGUST 2014

District Council of Robe is pleased to offer an opportunity for you and your staff to attend a Pool Operators Training Course to be held in Naracoorte on Tuesday 12th and Wednesday 13th August 2014, 8.30am – 5pm, in the Naracoorte Town Hall, Smith Street, Naracoorte.

Mount Gambier City Council is also hosting the same Pool Operators Training Course on 14th and 15th August 2014, 8.30am – 5pm, in the Leadlight Room at the Institute Building, Commercial Street, Mount Gambier (entry from Institute alleyway in the Cave Gardens).

The two (2) day training course will assist pool operators in developing the required skills and knowledge to competently maintain public swimming pools/spas. The training course covers a number of modules including pool disinfection and chemical balance. Through prior arrangement with the provider (min 4 weeks before course), the first day of the course is able to be completed externally, to limit the effect of staff absence on small businesses. The current fee is $455 for the two (2) days and must be paid at least one (1) week prior to the course being held. The payment is to be made direct to the provider, Aquatics Information.

A minimum number of five (5) participants are required for the course to be held in the South East. If the required minimum number of participant’s payments is not received by the provider within the timeframe, the course maybe cancelled. Further information can be found at www.aquaticsinformation.com.au. The two (2) day training course is suitable for the induction of new staff members: including those employees who may undertake pool maintenance periodically (e.g. when staff on leave). The training would also benefit existing pool maintenance staff seeking to refresh their skills and knowledge.

Please note that the first training day will include an onsite pool inspection and you will need to provide your own transport to the venue. I encourage you and your staff to take up this local training opportunity. Should you require any further information please do not hesitate to contact me on 0427 330 933, or Shane Ince at Aquatics Information during business hours on 0402 409 495.
