### 5.2 Correspondence – Submissions on Draft 2012/13 Business Plan

- Mr & Mrs Andrew Dening

### Recommendation

**That the correspondence titled “Submissions on Draft 2012/13 Business Plan” be received and noted.**

6 June 2012

Dean Gollan  
Acting Chief Executive Officer  
District Council of Robe

Dear Dean

With the budget for the 2012/2013 financial year currently on the Agenda, we once again ask the District Council of Robe to give serious consideration to an upgrade of Sandy Lane.

Sandy Lane along with most rural unsealed roads have been neglected for far too long and we urge Council to finally make Sandy Lane a priority and allocate funds

Now is a good time for Councillors to see what the residents put up with for most of the year – a quick grade is not the solution – with the amount of traffic using it as a bypass. It is a dangerous and unsafe road to drive on.

We await a positive response to our request.

Andrew S. J.
