Public Consultation
The public meeting on the marina will be covered in Bill’s report below.
Dates will be announced soon for the public meetings on the Strategy and Budget for council.

Request for Channel 9
About ten years ago the federal government had a programme called ‘aggregation’ where regional Australia was meant to get all three commercial channels plus ABC and SBS. Robe had all except Channel 7, however we now have all except channel 9. We (DC Robe) have asked SELGA (the association of all Councils in the South East) to find out whether we can get Channel Nine broadcast here. DC Robe received unanimous support from the other SELGA councils. We found out from Tatiara (Keith and Bordertown district) that they are even worse off than us. They have no SBS and there are parts of Tatiara that have no television reception so they rely on their own satellite television receivers.

Customs House Museum
The fully restored Customs House museum was opened by Stan Thompson on 12 April.
Council wishes to thank the Robe branch of National Trust of South Australia for their dedication in restoring this heritage building. In particular Council thanks David and Janette Seaton, Ian Bruce, John Bruce and Brian Hartwig.

Road Safety group
Twenty people from Robe and District braved the cold to attend a public meeting and form a community Road safety group on the 2nd of April. The group is dedicated to improving road safety and we hope their work as volunteers can assist in saving lives and preventing injuries.

Euphemia Paltridge funeral
Mrs. Paltridge is a loss to our community and our sympathy goes to Mary, Wayne and family.

Brooks birth
Brendan and Mardi welcomed their new daughter, Kiana Paige Brooks on the 4th of April. We wish them all the best.
CEO Report

On Wednesday 9th April, a public meeting was held by Council to report on the Judith Jones report and provide an opportunity for members of the public to ask questions and seek information about Council’s response to the report. The meeting was very well attended and it was gratifying to see that the overwhelming majority of those in attendance were supportive of Council’s decision to move forward with the Marina project in such a way as to minimise the financial risk to the community.

Council continues to take a prudent approach to the management of its finances in other areas as well. The Elected Members and administration are acutely aware of the need to eliminate wasteful and unnecessary expenditure as a key part of the strategy to restore Council’s financial health. As a result, every area of expenditure is under constant review. For example, Council’s workforce numbers are at a historically low level, and while this number is likely to increase as Council’s finances improve, there have been considerable savings in wages and salaries as a result.

A plan to build a concrete slab to hold the geotube bags for septic tank effluent at the STEDS lagoons has been shelved and the number of bags to be purchased has been reduced to cater for our immediate needs. With EPA approval, the tubes will be placed on a roadbase hardstand area instead of a concrete slab. This will result in a saving of approximately $70,000.

Considerable saving to our telephone accounts are anticipated following a review of our contracts and other utility providers accounts will be similarly scrutinised in the future. Child Care on Wheels Service

I love Autumn, especially when you see toddlers snuggling down for an afternoon sleep. The staff are making changes to the programs offered so that there will be more activities and interests inside, it’s wonderful to have to come inside because it’s raining!

As you probably have noticed, there have been many changes in staff responsibilities at The District Council. CCOWS is anticipating appointing a part-time clerical administration officer. Our former employee is extending her commitment to Council tasks.

On behalf of the staff and parents of the CCOWS service I would like to acknowledge the capable, competent and considerate assistance given by Paula Bigmore.

Personally, I say thank you to Paula for her professional and proficient clerical skills, but more than that...for accepting the flexibility of her position and willingly sharing her talents and expertise in other areas. Not many clerical assistants get involved in making net tu-tus for Staff members... or hemming chiffon scarves for children’s play. The CCOWS service is fortunate to have staff who act as a team or a family, The children benefit from this camaraderie & support.

And we have another thank you… to Debra Mackey who has acted as parent representative at Robe and been a member of the CCOWS Management Committee. Like many of us, Debra has many responsibilities and ‘wears many hats’. We thank her for her contribution to our meetings and operation. We will be seeking another parent to be part of our Committee, if you have a child in CCOWS let us know if you are interested in this role. If you’d like to know more, or have any questions, ask Deb or Tracy Harris or ring Robyn.

Robyn and the CCOWS team.

Going on a holiday this winter?

Robe is on the tourist route between Adelaide and Melbourne. We have all the brochures you need for that short holiday this winter. Why not explore Warrnambool, Port Fairy, Nelson, the Grampians, Ballarat, Mildura, or Geelong? We have maps & guides for Adelaide, houseboat holidays and SA short breaks books. Take a trip on the Ghan!

I love to see locals in our Visitor Information Centre. Come and have a gander!

Robe Bowls Notes—May 2008

Vic Dawson our Robe veteran Champion traveled to Penola on Thurs March 27th to participate again in the veteran champion of champions event. “Cooking with Gas” on the ingredients of patience, skill, deliberation—knowing a recipe or two—and concocting up and unbeatable texture. Vic Dawson won the day. Congrats Vic your third veterans LSEBA singles title previously won 1997-1998. Match 1: Vic def Barry Willian (Naracoorte club) 21-18 over 32 ends—a long match. Match 2: Vic def Herb Henderson (Millicent club) 21-3 over 16 ends—Herb had a marathon match too first round. Match 3: Vic def Des Harris (Mt. RSL) 21-20 over 30 ends—top bowling here by Vic and Des. Vic played 312 bowls—1585 years young!! who last year 2007 received a heart bypass and still is a top bowler of the LSEBA. A canny bowler. Vic has played continuously a high standard of bowls season 2007/08. On the home front, quieter times at our club now. On Thurs 27th March Gordon Alssop with Ron Packer from Kingston club won the pairs on the previous night. Regular players attended the last session of twilight bowls for 2007/08. Unfortunately due to a “hick up” the BBQ went missing earlier—Sorry to those who missed out on a curpa etc!! Our communication skills shall improve in 08/09 with in the club. Thank you to all players for your attendance this 07/08 year for twilight bowls. As we approach the final weeks of our bowls season please remember Robe Bowls Club AGM at club house on Mon 12th May at 7.30pm. Nomination papers available at RBC or C/- Michael Golding (secretary) on 8768 2825. Nominations close on Tues 29th April 08. Your attendance to the AGM would be appreciated. Earlier this month trio Vic Dawson (C), March Giles and Syd Kirkland won the day. Whilst on Closing Day Sun 13th Gordon Alssop ably assisted by Carmel Dawson won the day. After bowls on 13/04/08 dinner that night was enjoyed by all families at the bowling club. A presentation of medallions to all champions for season 07/08 took place: Singles—Errol Jennings, Pairs—Paul Fishlock (C), Michael Golding, Triples—Vic Dawson (C), Brian Nankivel & David Robinson, Fours—Steven Kennett (C), Mark Giles, Dean Burgoyne, Wayne Peters; who lost their game by 1 shot to Kingston Fours on 12/04/08. Veteran singles—Vic Dawson. Already that old shed has been demolished, to make way for a replacement store shed for equipment. Voluntary work will commence on our Green—chick incidentally is looking and playing well—however preparing the green for season 2008/09 takes place soon, a must. Winners Thurs 17th April—Andy Reich, Dave Robinson & Sam Harris. Once again thank you all to our sponsors this past season 07/08. Your assistance throughout the year is most gratefully accepted by the committee and all who have participated in or won the various events. You have supported this past season. Perhaps we could once again in 08/09 look forward to your generous support at Robe Bowling Club. Vale to Zena Ward. Recently on April 10th our life member Zena Ward (80) died at Sheoak Lodge Milli cent. Many club members journeyed to Mount Gambier to attend Zena’s funeral on Wed 16th April. During 1958 Lockie and Zena Ward conducted a butchers shop at Robe until 1978. During that time Zena (a top tennis player) played at Reedy Creek and Robe Tennis Club. Zena played golf at Robe Golf Club, for many years winning 2 club championships and in 1947 was the first lady to record a hole in one at Robe Golf Club. Zena received life membership of Robe Golf Club in 1986. At Robe Bowls Club Zena was President 3 years, secretary 3 years, Club Champion 6 times, Pairs Champion 3 times, Triples Champion 8 times, Fours Champion 3 times, and received Life Membership for her services to Robe Bowls Club for many years of service for Committee involvement. During 1991 Zena Ward skippered her team to win State Country Fours, a badge Zena wore with pride—with team mates Benicia Hunt 3rd, Edna Honod 2nd & Daph Klingberg. Zena was selected 3 times to play in South East Round Robin teams. Zena loved her football teams—Collingwood VFL, then more recently a one eyed Crows sup ported. A great competitor at rest. Sincere sympathy to Lockie and family or Trevor, Robert and families from all at Robe Bowling Club. We have many memories to share. Former players we wish Thelma Burzacott now at Churchill, Vic and Icy Lawrence of Gambier happy retirement at their new places of abode. Sick chicks Cathie McGill and Iris Kirkland were unable to play bowls 07/08.
