NOTICE OF MOTION

The following Notice of Motion was submitted by Cr. Denning-Wasson:-

That a comparison between the administrative staffing levels excluding Childcare be made with the following rural South Australian Councils:

- | | |
|-----------------------|-----------------|
| ▪ Elliston DC | population 1143 |
| ▪ Franklin Harbour DC | population 1324 |
| ▪ Streaky Bay DC | population 2014 |
| ▪ Kingston DC | population 2344 |
| ▪ LeHunte DC | population 1391 |
| ▪ Flinders Ranges DC | population 1692 |

Administration would include those not employed in the outside workforce and would include the CEO and any full time equivalent staff.

That this report be available for the September 2006 meeting.

Supporting Comments: During the public consultation for the strategic plan it has been suggested by some members of the community that Council has too many administration staff. I have been unable to support or deny these claims as I am not aware of other Councils' staffing levels. I want to have a comparison with other Councils that are similar in size and scope.

Staff employed in Childcare with the Robe Council should be excluded as this is government and user funded, therefore not an expense to the local ratepayers.
