Purpose

The District Council of Robe is responsible for the governance and management of its area at a local level. In particular it is the function of the Council to provide for the welfare, well-being and interests of the members of the community and to take measures to protect its area from hazards and to improve the amenity of the area.

This Order Making Policy is prepared and adopted pursuant to Section 259 of the Local Government Act 1999 ('the Act') and sets out the steps Council will take in the making of orders. Section 259 of the Act requires each Council to take reasonable steps to prepare and adopt policies concerning the operation of Part 2 of Chapter 12 of the Act. Part 2 deals with the making of orders. This Policy will apply to those circumstances listed in Section 254 which states that Council may order a person to do or refrain from doing a thing under certain circumstances, as specified in the table included within that Section of the Act (refer Attachment 1). In accordance with the requirements of the Act, this Policy also applies in respect of orders issued by Council under Section 216 (power to order the owner of private road to carry out specified roadworks), Section 217 (power to order owner of infrastructure on road to carry out specified maintenance or repair work), Section 218 (power to require owner of adjoining land to carry out specified work).

Local nuisances (other than those found in the Local Government Act) are also contained in the Local Nuisance and Litter Control Act 2016. Nuisance and littering actions that fall within the jurisdiction of the Local Nuisance and Litter Control Act will be dealt with in accordance with the procedures set out in that Act.

Principles

When considering making an order within the scope of this Policy, the District Council of Robe will consider the following principles, which are considered central to the effective resolution of local nuisances on private land. Each case for the possible use of the order making powers will be considered on its merits. Factors that Council will consider include:

- Severity of the incident

- Hazard/ danger posed to the community
- Risk to health/ safety of the community
- Detraction from the amenity of the locality
- Repeated occurrence of the activity/ incident (e.g. Duration, previous offences)
- Impact of any previous actions to overcome the problem
- Is the breach significant/ substantial?
- Would an informal warning letter be sufficient?
- Are there any public interest issues?
- Whether there is sufficient evidence upon which Council may rely to exercise its order making powers
- The offender's attitude
- Number of complaints received in respect of the matter (if any)

Process and Procedures

Except in the case of an emergency described below, before making an order Council will give notice of its intention to make an order in accordance with section 255 of the Act by:

Giving the person to whom an order is intended to be directed a notice in writing stating the:

- proposed action
- terms of the proposed order (i.e. what it requires the person to do or refrain from doing)
- period within which compliance with the order would be required
- penalties for non-compliance
- reasons for the proposed action; and

Inviting the person notified of the opportunity to give reason/s, within a specified time, as to why the proposed action should not be taken.

Council will proceed to make an order without negotiation or notice, in accordance with section 255(12) where Council considers the circumstance or activity constitutes, or is likely to constitute:

- a threat to life; or
- an immediate threat to public health or public safety; or
- an emergency situation.

Review Rights

Pursuant to section 256 any person to whom an order is issued (including an order issued under sections 254, 216, 217, 218 of the Act) has a right to appeal against the order. Any such appeal must be lodged within 14 days of that person's receipt of the order. The Council will ensure that reference to this right of review is included in any order issued.

Non-Compliance with an Order

If an order is not complied with within the time fixed for compliance (or if there is an application for review, within 14 days after the determination of the review) Council may (subject to the outcome of any review) take the action required by the order.

The reasonable costs and expenses incurred by Council in taking action under this section may be recovered by Council as a debt from the person who failed to comply with the requirements of the order.

Where an amount is recoverable by Council, Council may, by notice in writing to the person, fix a period, being not less than 28 days from the date of the notice, within which the amount must be paid and, if the amount is not paid by the person within that period, the person is liable to pay interest and Council may impose a charge over the land for the unpaid amount, together with interest, in accordance with section 257(5) of the Act.

Non-compliance with an order of Council is an offence for which a person may incur a statutory penalty provided for in the Act. Section 258 of the Act provides for a maximum penalty of \$2,500 and an expiation fee of \$210 for failure to comply with an order issued under the Act.

Responsibilities and Delegations

This Policy will be enforced by Authorised persons who have been appointed (in writing) by the Council under Section 260 of the Act. Council may also choose to delegate the power to issue orders under Sections 254, 216, 217, 218 and 299 of the Act to Council staff, in which case, Council will ensure appropriate delegations are in place.

Review and Evaluation

Any future amendment or alteration to the Policy or a substitution of a new Policy will be subject to the public consultation provisions under section 259(2) of the Act, unless the alteration has only minor significance and is likely to attract little or no community interest.
