Mayor’s Report

Robe’s Sporting Clubs

With the Olympics still hot on every one’s mind it’s timely to think about the sporting clubs and facilities that Robe residents and visitors have to enjoy. The Bowling Club in recent years has undergone a transformation with improvements to the clubhouse, the new synthetic turf rink, fencing and associated landscaping. The Golf Club has purchased land to assist its vision of developing a top class 18-hole course. At the Sports and Recreational Reserve the Tennis Club has resurfaced courts, lighting upgrades to the Netball facilities and improved facilities to the Football club change rooms and time keepers room have all been achieved. All in all Robe is blessed with fabulous facilities. The formation of these clubs is due to countless hours of dedication and commitment by members and volunteers, in many cases after a long day at their own till on the farm, fishing or other business endeavours. Council strives to assist where possible in supporting Robe’s sporting clubs both in kind and with grant applications. Cr Kristina Alexander is the delegate to the Sport and Recreational Committee.

CCOWS NEWS

Recently the Minister for early Childhood and Child Care, Kate Ellis, announced a review of the Budget-based Funded Programs. CCOWS is a budget-based service. That means that the Commonwealth Government provides funds which allow the service to operate viable. The review will establish where and how the funding will be reallocated between existing services.

The Director has attended consultations and meetings to present the growing needs for child care in rural regions and to advocate for ongoing funding for the CCOWS service. We have asked parents and families to write a few lines to nominate the benefits that CCOWS has for their child and their family. We look forward to receiving them, so that we can attach them to the submission the Director is preparing for Pricewaterhouse Coopers, who will prepare recommendations and a report for the Australian Government.

If there are any members of the Robe community who would like to add their testimony to be included in the submission, please email it to ccows@robe.sa.gov.au or write a few lines and hand them to the Council or CCOWS staff.

Many thanks, for your support. Robyn and the CCOWS team.

Invaluable Robe RSL Secretary Retires

It was announced that Robe RSL Secretary Nathalie Ling has retired from her position when the Robe RSL had their monthly luncheon on Thursday 1 August at The Providore.

The Providore staff provided an outstanding meal and delivered fantastic service for the RSL members, and could not be thanked enough for making the effort to ensure their lunch time get together so memorable.

Nathalie was described by President Doug Peel as a “club stalwart,” having given service to her local RSL for over 20 years, and being an active wife of her husband and World War II veteran Roy. Together with her brother-in-law and Robe RSL President Bob Powell, she initiated the founding of the Robe Kindergarten. Nathalie was at the time a kindergarten teacher and soon found herself in the position as Director of the Robe RSL Kindergarten.

The Robe RSL Community Bus was purchased when Tom Dalton-Morgan was RSL President, and has been running as a successful venture for the last 20 years under Nathalie’s guidance. The local RSL is on its third bus today, the service being invaluable to the local Robe community, especially its older residents.

When the District Council of Robe decided to initiate the development of the first mobile child care service of its kind in Australia – CCOWS – or Child Care on Wheels Service – Nathalie’s negotiation skills and knowledge in assisting to establish this service with Child Care Manager Robyn Paterson, saw the best possible outcome for young families and children in the town.

There has always been a waiting list for the placement of young children at Robe CCOWS and this has also seen Nathalie involved in the service’s expansion from the dual use of the Robe Kindergarten into also utilising the RSL Hall. The continuing positive relationship between the two groups has led and enabled renovations and further extensions to the hall infrastructure.

Nathalie Ling’s tireless support of the Robe RSL in her position as secretary and often first point of contact for the RSL group has permitted the Robe Kindergarten, Robe Community Bus, CCOWS, hall hire and countless other matters associated with this community group to run smoothly.

Undoubtedly, as the ambassador for the Robe RSL, Nathalie’s dedication has ensured that the Robe RSL has stood well the test of time, remaining financially independent and retaining a strong membership for a small town over the course of time.

The Robe RSL, its members and the members of the Robe Community would like to thank Nathalie Ling for her dedication, time and effort she has given to all aspects of her role over many many years, and they are sure that they will continue to call on her for advice and leadership into the future.

Nathalie’s family live close to her in Robe and are very proud of her achievements. Congratulations Nathalie Ling on your retirement!

Position Available
ORAL HISTORY GROUP
Volunteer Co-ordinator

A volunteer is being sought for the position of Oral History Group Co-ordinator.

The Oral History Group has provided valuable local history information via the interview process for many years, with the information in tape form being stored in the Kathleen Browne Room (Local History Collection) in the Robe Library and the State (Mortlock) Library.

The Oral History Group comes under the umbrella of the Robe Public Library and will be a vital part of our future Local History Group once the Kathleen Browne Room has been finished, and current local history documents catalogued with the guidance of Janice Nitschke.

The Friends of the Robe Library recently purchased a digital recorder to continue the work of the Oral History Group as manual tapes are now an outdated form of recording history interviews.

The position of Co-ordinator entails:
- The training of oral history volunteer interviewers
- The sourcing/identifying of people within the local community to interview
- The ability to liaise with Wendy White (Robe Public Library) and Leonie Peel (Friends of Robe Library) regarding local oral history projects

Training for the position will be provided. Applicants to contact Leonie Peel on 0427 682 778 or Wendy White on 08 8768 2465 or via email to robelibrary@plain.sa.gov.au by 30 September 2012.
