A message from the Mayor

I would first like to express my condolences on behalf of the Elected Members and wider community to the family and those close to the late Aunty Robyn Campbell, CEO of Burrandies Aboriginal Corporation who recently passed away. Aunty Robyn touched the lives of so many people through her work at Burrandies and she will be greatly missed throughout the region.

Each month when I prepare my newsletter report I am constantly reminded of the incredible opportunities that I get to experience through my position as Mayor for the Robe Community. I am so grateful to be able to work with people from all walks of life and be involved in some truly incredible history making moments for our town.

Over the past few months Elected Members have been busy in the Chamber discussing key matters for our community and have been ticking off the to-do list which is always a rewarding feeling. We have entered into the new financial year which means the four-year business plan for 2023/24 to 2026/27 is now in play and I am excited to say that the administration are

hard at work behind the scenes getting the projects for the year underway.

I would like to take this opportunity to say what a brilliant job the depot crew have been doing around the town and out on the roads! The Parks and Garden team have been working hard to keep our town looking beautiful and neat which leaves a brilliant impression on the visitors to town. The Roads Team are nearing the end of their annual maintenance grading and will be coming into town to work on the township roads. I encourage you to compliment the depot crew's efforts if you see them out and about.

Please note that the Council are aware of the damage caused by high tides on the access roads onto Long Beach and are regularly checking and maintaining it. The situation will be rectified in preparation for the warmer months once the weather settles. In the meantime, please be vigilant and safe when accessing the beach.

On the 11th of August 2023, I had the pleasure of attending the 40th birthday of the Robe Public Library. On the 11th of August 1983, the Robe Public Library was officially opened by Chairman of the Libraries Board of SA, John Crawford. To make the joyous opening even more special, it was also marked the 100th Public Library opened in South Australia. Isn't that incredible!

Over the years the library and visitor information centre has seen some changes and evolution, even more so in the past couple of years and it has been wonderful to see and hear all the positive feedback from the community.

I particularly love hearing the children's feedback about the kid's nook and how much they love coming down to read and pick their books to borrow. Reading is so incredibly important for children, and we are very lucky to have such a beautiful space in the library to inspire and encourage them to read.

I also attended the Vietnam Veteran's Day on Friday 18th of August 2023 marking 50 years since Australian troops withdrew from the Vietnam War. The Robe RSL arranged the Commemorative Service at the Robe War Memorial which was followed by a luncheon.

The service is always a significant day for our veterans, and it was a privilege to be a part of this moving service and remember the sacrifices of those who died and the 60,000 Australians who served.

In closing, I want to once again raise the alarm for the urgent need in volunteers for CFS and Ambulance. Volunteers are an integral part of our community, and the Emergency Services are screaming out for volunteers. You would be amazed by the positions available and the opportunities that are provided to you as a volunteer. CFS are not just looking for people to go on their trucks, they are in desperate need of radio operators and other admin-based tasks.

After suggestions to my husband this is a great opportunity to be involved, Martin has sign up as a volunteer for the CFS and he is absolutely loving it and starts his training this weekend.

Please raise your hand and become a volunteer! There are additional details later in this newsletter.

Kind Regards

Mayor Ruffell

Volunteers News

Robe has a South Australian Ambulance Service station that provides a first response to emergencies, in the town and wider in the region. This service is 24 hour, 7 days a week and is provided primarily by local volunteers. Our dedicated Robe crew is few in numbers, and despite some new recruits continues to need more volunteers to provide this important service. The role of a SAAS volunteer is rewarding, challenging, educational, and respected by the community they serve.

Being a SAAS volunteer provides the opportunity to help people when they are at their most vulnerable, and there are many in our community that will need our services, currently and in future. Volunteers follow a well structured training process, and can choose which level of training they wish to advance to, and how much time and responsibility they adopt. Volunteers are provided with everything they need to perform, including for uniforms, training, team social events, travelling, etc.

If you are interested in finding out more, have a chat with a SAAS volunteer that you may know, or call our Regional Team Leader, Taylor Martin on 0448308141.

Robe SAAS volunteers Jo Edwards, Meg McLarty, and Ned Wright at the SAAS Volunteer Conference that took place at Murray Bridge in August this year. The conference focussed on Mental Health and Wellbeing, and provided the opportunity for interaction with volunteers from all regions of South Australia.

All the best
Ned (Cr Wright)

Robe Sub Branch

More than just a place!

Your local sub-branch has been actively working on a number of ways to support our community. The past month as seen a Commemorative Service held on Vietnam Veterans' Day recognizing the invaluable contribution of Australians who served in this conflict. At the same time we also acknowledged the 50th anniversary of the end of Australia's involvement in this war.

- The Robe RSL is branching out and is inviting our Ex-Service Veterans to take part in a reading program for our local Primary School Children. We have been busy developing the concept and look forward to launching this initiative in the coming months. If you are interested and an ex-service veteran we would love to hear from you. You don't have to be a paid-up member— though we at the Robe RSL, would really love to have you join us.
- Full membership for ex and service veterans, and associate membership for any other community member is an option. And our morning teas before the meetings? Well they're fantastic!! NOT JUST BISCUITS EITHER!!!

Join Us in Supporting our Veterans

At Robe 2 Recovery, we are dedicated to empowering veterans and their families.

Since the start of Robe to Recovery back in 2015 We have hosted over 70 veterans in their journey to recovery by offering a complimentary holiday home, and a welcome gift basket to start their relaxing holiday in Robe.

This year we have hosted over on average 2 veterans a month, giving them a chance to get away from the hustle and bustle and noise of the city to relax and rejuvenate in Robe.

On arrival we provide holiday accommodation and a welcoming gift basket of Robe goodies that include: Local Robe business gift vouchers, wine, chocolates, Anzac biscuits, jams, flowers, Robe experience vouchers – fishing charters, mountain biking, 4-wheel driving and more.

Your support can make a significant difference in the lives of those who have served our country selflessly. With your generous donations, we can continue providing vital resources and programs to help veterans rebuild their lives and thrive in their civilian journey.

This month we are encouraging the community of Robe to support a local business and also support the Robe to Recovery Veterans program.

- 1. Look out for the envelope in your mailbox this month.**
- 2. Purchase a gift voucher from a local business for whatever amount you wish to contribute.**
- 3. Write a short personal note from you/your family, to a veteran on the blank slip inside the envelope**
- 4. Fill in your name, address, email and phone details on the slip.(if you choose to)**
- 5. Put the Voucher, note and your contact details back into the envelope.**
- 6. Drop the envelope into: Loaves & Fishes or the Robe Pharmacy or post it in the Red Mailbox outside the Robe Post Office.**

We will then pass your voucher and note on to a visiting veteran and we will contact you to let you know who your voucher was given to or when your voucher supported a veteran during their stay in Robe.

For more information on Robe to Recovery and how we are supporting the health & wellbeing of veterans, contact: enquiries@r2r.org.au

- Facebook - share a great image/video, and great story via the caption (no hashtags). Running events? Make sure you add them as an event, so they can also be shared by Visit Limestone Coast.
- Instagram- share great images/videos in your newsfeed, share stories through a caption on the post, and use the hashtags:

MYLOCAL SERVICES APP

My Local Services is a mobile phone app that allows you to report a problem within the Council area, receive notifications about waste collection days and check Waste Transfer Station opening times. The app is designed to make it more convenient to find Council information 24/7.

You'll never forget bin day again!

You can also find places 'Near Me' such as parks and playgrounds.

We encourage all residents and ratepayers to download the App. It is very easy to use, and the details are specific to your house location. MyLocal Services App can be downloaded from the Apple App Store and Google Play.

ENOTICES

Please note that the current rates notices contain a new feature, 'Enotice' which will make it easier for our ratepayers to manage their rates. Ratepayers will need to use the reference number, top right of your rates notice, to login and create a new account:

The benefits of Enotice are;

- It is possible to see both current and previous rates notices using this feature.
- You can choose to have your rates notice emailed directly to you rather than posted.
- To allow ratepayers to update their email addresses and add email recipients. (e.g. if more than one person has an interest in the property)
- For ratepayers who own multiple properties this feature will be of great use, as you are able to add multiple assessments to the one account, creating a more efficient way to manage all properties.

Please note that this function does not allow you to update your residential or postal address, this still needs to be sent directly to Council. This can either be emailed to council@robe.sa.gov.au or posted to PO Box 1, Robe SA 5276.

Dog bite safety
awareness and education materials for councils

Good dogs have bad days.

Last year, over 500 South Australians were admitted to hospital for dog bites. Over 2,000 attacks and harassments were reported to councils. Together let's educate people about dog behaviour to get these numbers down.

This campaign pack contains

- 500 leaflets
- pop up banner
- 2 signs suitable for dog parks

download social media content from www.dogandcatboard.com.au/campaign

Scheduled advertising

July-30 September: Youtube, Facebook, Instagram, TikTok, Broadcast video on demand (7Plus, 9Now, 10Play, SBS on Demand, Foxtel or KAYO) digital and native internet banner advertisements

August-30 September: Radio and TV advertisements, bus shelters, large format digital billboards and mobile billboards.

"Our pup wouldn't hurt a fly."

From dogs we don't know to the cuddliest family pet, any dog has the potential to bite for all sorts of reasons. So it's vital we know the situations when and why dogs bite and how we can interact with dogs safely.

Safety tips:

- ▲ Always supervise children around dogs at home or in public.
- ▲ Never enter a dog's territory, like their bed, yard or toy box.
- ▲ Never startle a dog.
- ▲ Never touch a dog while it's eating.
- ▲ Never touch a dog's puppies without the owner's permission.
- ▲ Never disturb a sleeping dog.
- ▲ Never put your face near a dog's face.
- ▲ Teach children to always ask the owner's permission before approaching a dog.
- ▲ Remind children that dogs can bite when they're tired, frightened or annoyed and teach them the signals to look for.
- ▲ When approaching a dog, slowly reach to touch its chest from the side. If it retreats, it's time to back off.
