3.5.3.1 Tenderers are required to complete the Tender Response Schedules and submit them to the Council.

3.5.3.2 Tenderers can also supply any other additional information or documents. The Council may have reference to such additional information or documents in evaluating the Tenders.

3.9.3 If, despite their best endeavours and acting in good faith, the Council and the Preferred Tenderer are unable to negotiate and agree on the terms of the Agreement for Services, the Council reserves the right to negotiate with any other parties, including other Tenderers, for the provision of the Services.

3.9.4 The successful Tenderer will be notified in writing by the Council of the Council's acceptance of its Tender. The successful Tenderer must not make any oral or written public statements in relation to the awarding of an Agreement for Services until written notice is received by the Tenderer.

3.9.5 The notification of the acceptance of Tender by the Council creates an obligation on the Council and the successful Tenderer to enter into the Agreement for Services (subject to any variations agreed pursuant to this clause 3.9).
