## Mayor's Message

This month has been jam packed full of bits and pieces as we prepare our draft business plan & budget, Asset Management Plans, Strategic Plan and various other exciting things.

I want to take this opportunity to say a huge thank you to all who have contributed to our Strategic Plan. Whether it be by way of making a formal submission or simply completing the surveys that have been on our Facebook page. Every little bit of feedback is important and helps to shape the Plan that you and the Community want to see. So a big thank you!

I am very much so looking forward to entering the new financial year with our fresh new Strategic Plan, Annual Business Plan and Asset Management Plans.

I also want to take the opportunity to remind the whole community about the importance of supporting each other and local businesses and groups over the winter period. Although it can get a bit cold and gloomy this time of year, it is where we shine the brightest as a Community. With footy and netball season in full swing, I encourage you to go and have a meal at the Clubrooms on a Thursday night. (I will also sneak in a **GO ROOSTERS!**)

I had the pleasure of attending the RSL Robe Sub-Branch ANZAC Day Ceremony last on Thursday 25th of April on behalf of the Elected Members. The RSL did a wonderful job and it was a very well attended Ceremony and breakfast. This year, I chose to lay books in tribute as an alternative to the traditional wreath as books can change a person's life, children especially. Reading is incredibly important to a young mind and anything we can do to promote that is essential.

Following the Commemoration, the Robe RSL Sub-Branch Members distributed the donated books to our local schools, Childcare and Kindergarten where they will hopefully be read for generations to come.

On Monday 29th of April, I spent some time at the Community Garden talking all things winter vegetables, where I was reminded that now is the time to plant them so lets all get planting.

I also want to use this as an opportunity to tell you all to drive safely on our roads as there are plenty of furry friends jumping around in the early hours of the mornings!

With that, I will sign off so you can get to reading the other articles within this Newsletter.

Warm regards,  
Kind Regards  
Mayor Lisa Ruffell

**PS: A reminder that my contact number has changed to: 0474 581 595**

**Main photo:** Mayor Ruffell with grandson Hudson Ruffell, who is wearing his great-grandfather and grandfather's medals from WWI and WWII.

**Inset photo:** The collection of books laid in lieu of a wreath.

## [Koning Willem de Tweede Shipwreck Project Presentation](#)

On the evening of Friday 12th April at the Robe Institute, the Australian National Maritime Museum, along with the Cultural Heritage Agency of the Netherlands, Silentworld Foundation, & the Robe Branch National Trust of South Australia, held a public presentation and launched a booklet as part of the ongoing Koning Willem de Tweede Shipwreck Project. Titled '*Wrecks and Relics: Looking After Maritime Archaeological Finds in the Robe Region*', the booklet discussed Dutch ties to Robe's maritime past, the preservation and stabilization of maritime cultural heritage, and pertinent State and Commonwealth heritage legislation. Copies of the free booklet were handed out on the night, but if you missed out - never fear! Extra copies are available at the Robe Customs House.

Supper was provided by the Robe Branch National Trust featuring Dutch specialties for attendees to enjoy. The following morning, a workshop on conserving and caring for archaeological artifacts took place at the Robe Customs House Maritime Museum.

Dr. James Hunter from the project gave the approximately 50 attendees an update on what has been found so far, and what the next steps will be in their search for the wreck site. The project's primary goal is to search for, locate, and conduct an archaeological survey of the historic ship's remains. Additionally, the project team, in collaboration with the local community, aim to document any privately or publicly held items recovered from the wreck and offer conservation guidance for their future preservation.

Koning Willem de Tweede, an 800-ton Dutch barque, met its end off Guichen Bay's Long Beach on June 30, 1857, resulting in the loss of 16 lives. Just before this tragedy, over 400 Chinese miners en route to the gold fields in Bendigo and Ballarat, Victoria, disembarked from the vessel.

The Koning Willem de Tweede Shipwreck Project received support from the Dutch Ministry of Foreign Affairs, facilitated through the Embassy of the Kingdom of the Netherlands, Australia, and the Cultural Heritage Agency of the Netherlands.

**Photo:** Dr. James Hunter addresses the crowd.

## Customs House Project Update

We are pleased to announce that work has been mostly completed on the restoration of the historic Robe Customs House. The front facade has been repointed and had some stones and bricks replaced. The stonemasons have also repaired compromised timber framing as well as replacing broken and missing louvres in the vents. This exterior work is now virtually complete, and future internal maintenance works will be investigated and prioritised.

The craftsmanship and attention to detail on this project have been outstanding and we couldn't be more pleased with the results, ensuring this icon of Robe remains standing for generations to come.

## District Council of Robe Office Closure - Thursday 30th May 2024

Please note that the Council Office located at 3 Royal Circus Robe will be closed to the public on **Thursday, 30th May 2024** for staff training and development.

Council apologises in advance for any inconvenience this may cause.

ADVANCED NOTICE:

# OFFICE CLOSURE

THURSDAY 30 MAY 2024

IN CASE OF EMERGENCY, PLEASE PHONE 8768 2003 AND YOU WILL BE REDIRECTED TO OUR ON CALL OFFICER.

ROBE

District Council of  
**ROBE**

## Mayor Lisa Ruffell in Office on Wednesday's

Every Wednesday the Mayor will be available in the Council Office and has her door open to our community. If you would like to book some time with the Mayor, please book via:  
Executive Assistant, Molly Murdock: [molly@robe.sa.gov.au](mailto:molly@robe.sa.gov.au) or 08 8768 2003.  
Appointments will be limited to 15mins, unless longer is required. If you would like other Councillors involved in the meeting, please notify the Executive Assistant when booking.

## [Bec Hurst is Swinging With The Stars!](#)

As many of you may know, I am representing Robe this year in the Stand Like Stone Foundation Swinging with the Stars fundraising event for the Limestone Coast.

Stand Like Stone raises funds for a huge array of education scholarships for all Limestone Coast people to access, and its philosophy is that education provides opportunity.

The smaller sub fund I am raising funds for under the umbrella of Stand Like Stone Foundation is the Poppy Crozier Memorial Education Scholarship Fund.

Many of you will not know Poppy or her family as they are from Keith, but Poppy's parents have set up this scholarship for all Limestone Coast students to access Agricultural scholarships in her memory.

Poppy had just completed school and has begun studying Ag at University.

So, the Swinging with the Stars dancing involves driving to Mt Gambier every Sunday to dance with seven other Limestone Coast folk who have each been paired up with a professional dancer.

We are learning 4 dances in total and the competition will be held on the 22nd June 2024 at the Barn Mount Gambier. There will be two winners: the one that dances the best, and the one that raises the most funds. This is where you all come into it!!

On **Friday 17th May** there will be a new release movie night held at the Robe Cinema. A Mother's Day raffle will also be on offer. For more information, please contact either Penny Day on 0427 585 833 or myself on 0428 682 413.

On **Saturday 25th May** - sadly the same night at the Rooster's ball! - we are hosting a quiz night at the Furner Hall (a flyer will be distributed around Robe shortly). \$200 per table of 8 people. For bookings, please call me on 0428 682 413. There will also be an auction of a variety of items kindly donated by many Robe businesses, as well as individuals.

The link on the flyer takes you to a link that will enable you to receive a receipt, and all donations are tax deductible. Alternatively, my banking details are:

BSB: 735 609 Account: 500117 - please use your name as the reference.

The flyer features the Stand Like Stone logo at the top, which consists of two overlapping circles (one yellow, one grey) above the text 'Stand Like Stone' and the tagline 'Inspiring kindness and courage'. Below this is a large yellow circle containing the text 'SWINGING WITH THE STARS' in a playful, hand-drawn font, with an illustration of a man and a woman dancing. Underneath the circle, the text reads 'BEC HURST IS BRINGING THE BOOGIE'. To the left of this text is a portrait of Bec Hurst, a woman with blonde hair wearing a white shirt and a dark jacket. To the right of the portrait, it says 'Bec is representing Robe in this year's Swinging with the Stars competition presented by the Stand Like Stone Foundation. The event will raise funds for the Poppy Crozier Memorial Scholarship Sub-Fund.' Below this is the question 'WHEN?' followed by 'Saturday 22nd June 2024'. At the bottom, there is a yellow button with the text 'DONATE VIA LINK' and a curved arrow pointing to a URL: 'https://standlikestone.com.au/swinging-with-the-stars-2024/'.

Thank you all for your support - Bec Hurst 😊

## FRIENDS OF ROBE LIBRARY MONTHLY MEETING:

**THURSDAY 18TH MAY AT 10AM**

*New Members Welcome!*

# **LIMESTONE COAST SOUTHERN REGIONAL ASSESSMENT PANEL** **CALL FOR EXPRESSIONS OF INTEREST - INDEPENDENT MEMBERS** **FIVE VACANCIES**

District Council of Grant, Wattle Range Council, District Council of Robe and City of Mount Gambier formed the Limestone Coast Southern Regional Assessment Panel (LCSRAP) which commenced on 1 July 2022.

Expressions of interest are being sought from members of the public who would like to be considered for appointment as an independent member of the Regional Assessment Panel (LCSRAP). The role of the LCSRAP is to make decisions on a wide range of development applications within the respective council areas.

The LCSRAP is to be comprised of five members who have an interest in urban and regional planning with appropriate qualifications and experience. As a guide, it is anticipated that independent members could come from the field of architecture, landscape architecture, civil engineering, planning, law, building, environmental planning or similar fields. It is a requirement that all members of the LCSRAP obtain accreditation from Plan SA as Planning Level 2 to be able to be a member of the panel.

Independent members will be compensated for their time and expertise. The term of the LCSRAP is for a two year period.

Expressions of interest detailing experience, skills, knowledge and qualifications and whether you wish to be considered for appointment as Presiding Member should be forwarded to:

City of Mount Gambier  
PO Box 56, Mount Gambier SA 5290,  
or email [city@mountgambier.sa.gov.au](mailto:city@mountgambier.sa.gov.au) by 5:00pm  
Friday 10 May, 2024.

The code of conduct for panel members and the guidelines for accreditation is available by request and should be obtained before submitting an expression of interest.

For further information, please contact Tracy Tzioutziouklaris, Assessment Manager, Limestone Coast Southern Regional Assessment Panel by phone on (08) 8721 2555 or email [city@mountgambier.sa.gov.au](mailto:city@mountgambier.sa.gov.au)

# USEFUL INFORMATION

## COMMUNITY NEWSLETTER

The Community Newsletter is released monthly by the District Council of Robe. Businesses and Community Members are able to advertise in the Community Newsletter. Advertisements are due by the third Friday of each month.

The Community Newsletter is available electronically from Council, delivered directly to your email inbox each month. Simply scan the QR code below to sign up, or visit [www.robe.sa.gov.au/forms/subscribe-to-mailing-list](http://www.robe.sa.gov.au/forms/subscribe-to-mailing-list)

Printed copies are available from:

- Council Office
- Robe Library & Visitor Information Centre
- Post Office
- Chemist
- Newsagency

## FACEBOOK

For the most up to date information visit the 'District Council of Robe' Facebook Page.

Are you looking for staff or looking for employment? Follow Council's 'Jobs in Robe SA' Facebook page! This page can be used for posting all job opportunities available in Robe as well as any job seekers looking for employment in Robe.

## MYLOCAL SERVICES APP

My Local Services is a mobile phone app that allows you to report a problem within the Council area, receive notifications about waste collection days and check Waste Transfer Station opening times. The app is designed to make it more convenient to find Council information 24/7.

You'll never forget bin day again!

You can also find places 'Near Me' such as parks and playgrounds.

We encourage all residents and ratepayers to download the App. It is very easy to use, and the details are specific to your house location. MyLocal Services App can be downloaded from the Apple App Store and Google Play.

## ENOTICES

Please note that the current rates notices contain a new feature, 'Enotice' which will make it easier for our ratepayers to manage their rates. Ratepayers will need to use the reference number, top right of your rates notice, to login and create a new account:

The benefits of Enotice are;

- It is possible to see both current and previous rates notices using this feature.
- You can choose to have your rates notice emailed directly to you rather than posted.
- To allow ratepayers to update their email addresses and add email recipients. (e.g. if more than one person has an interest in the property)
- For ratepayers who own multiple properties this feature will be of great use, as you are able to add multiple assessments to the one account, creating a more efficient way to manage all properties.

Please note that this function does not allow you to update your residential or postal address, this still needs to be sent directly to Council. This can either be emailed to [council@robe.sa.gov.au](mailto:council@robe.sa.gov.au) or posted to PO Box 1, Robe SA 5276.

# MEETING DATES

Please note:

All meetings are open to the public unless otherwise advertised.

## **ROBE COMBINED PROBUS**

Box 571, Robe SA 5276

Robe Combined Probus Club meets monthly every  
3rd Tuesday, 10am at the  
Robe Bowling Club Rooms  
Visitors and New members are welcomed.  
Probus is an association for those no longer working  
full time, to join together to enjoy life.  
It is a way of keeping your mind active, interested and  
healthy. We do not fundraise or have working bees,  
but just enjoy friendship and fun, having various guest  
speakers and  
occasional trips.

\*\*\*\*\*

Our next meeting will be  
On Tuesday 21st May @ Robe Bowling Club  
Guest Speaker from Robe Ambulance Service

# Native Trees For Sale at FRIENDS OF LITTLE DIP Community Nursery

## Drizzling Sheoak (*Allocasuarina verticillata*).

The drooping sheoak is a native tree recognized for its unique, evergreen, needle-like foliage that forms a drooping canopy. This hardy tree, generally reaching 5-10 metres in height, is adaptable to a wide range of soil types. It has distinct woody cones and seasonal reddish-brown flowers. Requires planting during the autumn months and can be used as a windbreak. The initial years require consistent watering. The sheoak can be planted in either full sun or partial shade.

## Brown Stringybark (*Eucalyptus baxteri*).

A medium-sized tree that is native to the south-eastern Australia. It has rough, stringy bark and a curved adult leaf. Beautiful green to yellow flower buds form in groups. Note: this tree can grow to a height of 40 metres. It is recommended that it be planted in a large sized garden or block during autumn. The seeds are an important source of food for the endangered south-eastern red-tailed cockatoo.

## Dryland tea tree (*Melaleuca lanceolata*).

A South Australian native small tree which can grow to 1 - 8 metres in height. This will grow well in frontline coastal situations as well as inland regions. Required planting in alkaline soils during autumn. Flowers are white or cream in large clusters and flower during the summer months. The Dryland tea tree is a hardy plant which will grow on loam soils, brown, grey or white sand, limestone ridges, coastal cliffs and dunes.

Trees are available for purchase on Sundays at 3pm at the FOLD nursery on White st. Price is \$5.00 per tree.

<http://robefold.org> | 0466072076 - Roland  
Friends of Little Dip Conservation Park | Robe Coastcare

## FRIENDS OF LITTLE DIP & ROBE COASTCARE

• FOLD •

Join us

in caring for Robe's wild spaces and pristine coastline

All are welcome

Hands-on activities and learning experiences  
for both adults and children, including:

- park and trail maintenance and upgrades
- beach cleanups
- collecting seeds of native trees
- growing and caring for seedlings
- propagating native plants from cuttings
- revegetation of dunes and conservation areas
- protecting shorebirds
- learning about local native flora & fauna
- recognizing and removing invasive plants
- nursery upkeep activities

How to participate:

Join us on Sundays at 3.00pm @ FOLD Nursery  
on White Street, Robe (across the road from Mike's Beef Jerky)  
We meet every Sunday

Receive our weekly newsletter for updates on activities:  
Write to [friends@robefold.org](mailto:friends@robefold.org)

Call Roland 0466 072 076 or Helen 0404 505 065

Our wild coastal spaces are an important part of our community. They provide a natural buffer for our homes and businesses from the powerful forces of the southern ocean, they allow us to immerse ourselves in a beautiful, dynamic and exciting environment, and they are special ecosystems supporting a wide range of native plants and wildlife.

We are community volunteers, working for the  
preservation and conservation  
of these unique wild spaces.

# Notification of works

## Beacon Hill Road, Evans Cave Road, Morphett Street, Sturt Street, Backler Street, Lake Road, Robe April – September 2024

### What we're doing

We are undertaking a project to improve the reliability of the power supply in the township of Robe. This includes the replacement of 1.3 kilometers of high-voltage overhead powerline, along with 23 stobie poles and overhead equipment at 50 current stobie pole locations. The upgrades are required due to coastal corrosion of the local network.

The map gives an indication of the area impacted.

### How this affects you

Civil works are scheduled to commence in late April and are expected to finish by the end of May. This work involves installing new stobie pole foundations beneath existing power lines and preparing for underground cables for a road crossing at 2 Sturt Street Robe.

Following the civil works, overhead powerline and stobie pole installations are set to begin in June, with completion anticipated by the end of August. We aim to complete all work by September this year.

To ensure the safety of both our workers and the community, we will implement traffic management measures. Access to businesses will be maintained using road plates and stop/go traffic management. Speed restrictions and parking limitations will also be in the place near our work sites.

As part of the project, some private electricity connections may require alterations. There will be no cost to customers for this work and you will be notified in advance if your property is affected.

The majority of the work will be conducted during daylight hours, with the possibility of some weekend work. We will inform you in advance if there is any night works. Work won't be conducted every day during this period and project timeframes may change due to unforeseen issues.

### Generation

We will have generation in place in August over two days at 1 Evans Road, Robe to minimise power outages. During its operation, soundproofing measures will be in place, however there may still be some noise disturbance.

### Power outages

Customers will experience power outages during some of this work, as we cannot provide generation to prevent all outages. We will send SMS/ emails to subscribed customers typically two weeks before the planned outage. We post cards to non-subscribed customers however there may be delays with the postal service.

If you do not already receive free SMS/ email updates about your power, you can subscribe using the QR code below, via our website, or call us for assistance.

You need the National Meter Identifier (NMI) from your electricity bill to subscribe.

### Nuisance

There will be dust, vibration and noise from our work, the generator, and the operation of heavy machinery and vehicles such as cranes, however our crews will minimise these disruptions as much as possible.

### Thank you

We apologise for any inconvenience you may experience and thank you in advance for your patience during this important work.

### Further information

If you have any questions about our work, please contact Kate on 7326 2924, or email us at [CustomerCommunication@sapowernetworks.com.au](mailto:CustomerCommunication@sapowernetworks.com.au)

# Asking for help when you are a carer

**Looking after someone else can be tough. It's OK to ask for support.**

It's important to have support when you're caring for someone. Support and services can help you manage in the tough times.

## Many carers don't ask for help

More than half of unpaid carers in Australia feel they can't manage all their caring responsibilities. But many carers don't ask for help, or they wait until there is an emergency.

Unpaid carers often don't ask for help because:

- they don't have enough time
- they don't know that there is support available
- they don't see themselves as carers
- they are worried about privacy.

## Carer Gateway is here to support you

It's never too early or too late to get support. You can always make changes that will improve your health and wellbeing. You might not know what help to ask for - and that's OK.

Carer Gateway can help you understand what support is available and right for you.

Carer Gateway was designed by carers for carers. We put the care and wellbeing of carers first.

We provide free support packages based on your needs. Support may include counselling, planned respite and help around the home.

**Let us help**

**Call Carer Gateway on 1800 422 737 or go to [CarerGateway.gov.au](https://www.carergateway.gov.au) to find out what we can do for you.**

If you are more comfortable having a conversation in a language other than English, you can use the Translating and Interpreting Service (TIS). TIS is available 24 hours a day, 7 days a week, and is accessible from anywhere in Australia for the cost of a local call on 131 450.

An Australian Government Initiative

# Telstra 3G Closure.

From 30 June 2024, Telstra will be solely focusing on 4G and 5G networks.

This means that if you have a 3G compatible device, it will not work from July 2024.

Telstra have provided some data below of 3G users in the District Council of Robe area:

3G Handsets: 17

M2M (eg: EFTPOS, meters etc): 13

MBB Tablets/Wearables: 14

For Telstra customers:

To find out if your mobile phone is impacted SMS **3** to **3498**

Further information can be found at:

[www.telstra.com.au/support/mobiles-devices/3g-closure-faq](http://www.telstra.com.au/support/mobiles-devices/3g-closure-faq)

## Supporting businesses where they're at

Have you heard about the small business support program provided by Regional Development Australia Limestone Coast (RDALC)? Thanks to funding from Limestone Coast Councils and the Office for Small and Family Business, you can access free, one to one mentoring right here in Robe.

The RDALC Business Support Coordinators have expertise in marketing, websites, business planning, cashflow, planning for growth, workforce issues and more. Each week, Nicole McGuinness travels to neighbouring towns, connecting with new businesses, and spreading awareness about the Small Business Fundamentals program. We also host a range of events to support small and family businesses.

Interested in learning more about how this program could benefit your business?

Feel free to reach out to Nicole at:

[infoerdalc.org.au](http://infoerdalc.org.au) or phone **(08) 8723 1057**

and see how the Small Business Fundamentals program can assist you.

RDALC

## Help protect South Australia's oceans and fishing industries

### Play your part to protect our oceans and fishing industries from aquatic pests and diseases.

Abalone viral ganglioneuritis (AVG) is present in South Australia's southeastern waters.

Reduce the risk of spreading aquatic pests and diseases:

- ✔ **CHECK** all vessels, fishing, diving and surfing equipment and remove any sediment, sand and other visible material. Do this at sea, before leaving the site of your activity.
- ✔ **CLEAN** boats at home or at a commercial car wash. Wash your wetsuits, fishing and diving equipment with detergent and fresh water.
- ✔ **DRY** all boating, fishing and diving equipment completely before heading out into the water again.

Find out how to clean your gear properly and reduce the spread of AVG at: [pir.sa.gov.au/avg](http://pir.sa.gov.au/avg)

### Contact PIRSA

To report sick or dead abalone, call the Fishwatch Hotline on 1800 065 522 or use the SA Fishing app.

For more info about AVG scan the QR code
