ON BEHALF OF THE COMMUNITY, MAYOR, COUNCILLORS AND EMPLOYEES OF THE DISTRICT COUNCIL OF ROBE, I WOULD LIKE TO ACKNOWLEDGE THE PASSING AND EXPRESS A DEEP SENSE OF SADNESS FOLLOWING THE FUNERAL OF HER MAJESTY QUEEN ELIZABETH II.

# Mayor's Report

We are now officially in the caretaker period for Council (as of 6 September) so things have slowed down for a bit.

The District Council of Robe received twelve nominations for the six Councillor vacancies which is terrific. I wish all of the candidates good luck with their campaigns and look forward to hearing their views at the Robe Institute on 19 October at 6:30pm.

Unfortunately there were no nominations for the Mayoral vacancy which means there will be supplementary election commencing early next year with completion around March. This will give our community time to find people in our midst who will be willing to nominate for the role. It is truly an eye opening job to do within the community and I can thoroughly recommend it. It is diverse, interesting and pretty time consuming but worth the effort. If you would like to know a bit more, I'm happy to have a confidential chat to provide further information.

There was an informal Blessing of the Fleet conducted just prior to the opening of the season. The fishing season has opened earlier than normal and meant there could not be the normal blessing. Our community wishes our commercial fishing fleet safe travels for the 2022-23 year.

The annual Sandmaster's event was again a success. Well attended and well run by its volunteers, it is always a great day for everyone whether they are interested in motorbike racing or not as well as adding something different to the mix for our town.

Commiserations to our senior colts football, 15 & under, 17 & under and A Reserve netball teams. Not a great day for our sporting teams but it wasn't that long ago that we wouldn't have any teams in, so we've come a long way to have four teams in grand finals.

The collated information from the 2050 survey has been presented to Elected Members and the community.

As always, call me if there is anything you would like to discuss on 0427357243.

Mayor Alison

## Welcome to the Team Catie & Dane

### Catie

Hello Robe Community, my name is Catie and I have been working as an Environmental Health Officer (EHO) for the past 13 years. I completed my Bachelor of Environmental Health in 2006 at Flinders University and my first working role was a 12 month contract working as a controlled substances licensing officer with SA Health. When this contract came to an end I started my local government career as an EHO and have worked for Salisbury, Tea Tree Gully and Mitcham Councils. After having some time off through parental leave for my two children, my current part-time position includes undertaking food safety audits for childcare, aged care and assessing the waste control applications for Naracoorte Council and now Robe Council. I am based in the Adelaide Hills but very much enjoy time spent in the South East for work and leisure. I look forward to working with Robe Council.

### Dane

After graduating from Flinders University in 2007, I have worked as an Environmental Health Officer for over 15 years across a number of Councils including the Naracoorte Lucindale, City of Unley, City of Mitcham, Berri Barmera and Elliston Council. Although, having experience across all areas of Health, I have a particular passion for food safety that sees me working in higher risk settings such as Hospitals, Aged Care and Childcare auditing Food Safety Programs.

I look forward to establishing a great working relationships with residents and business in the Township and can be contacted anytime for Environmental Health related enquiries on 0421751386 or [eho@robe.sa.gov.au](mailto:eho@robe.sa.gov.au)

## **South Australian Coastal Council Alliance Coastal Forum**

On Wednesday 28 September 2022, the Chief Executive Officer had the opportunity to present with Patrick Hesp and Charlotte Uphues from Flinders University and Nicholas Davies from Veris at the South Australian Coastal Council Alliance Coastal Forum.

The presentation was on the work undertaken on the Lidar of Robe's cliffs and the lessons learnt, preliminary findings from the research undertaken by Robe's Enterprise Scholarship PhD student, and next steps for longitudinal study of the coastline.

It was a great opportunity to share our experience with other Coastal Councils.

## Bushfire Season 22/23

A new bush fire season is again nearly upon us.

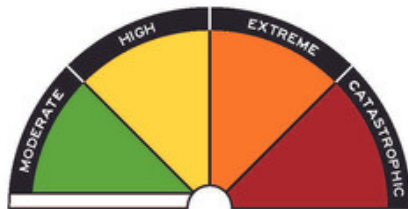

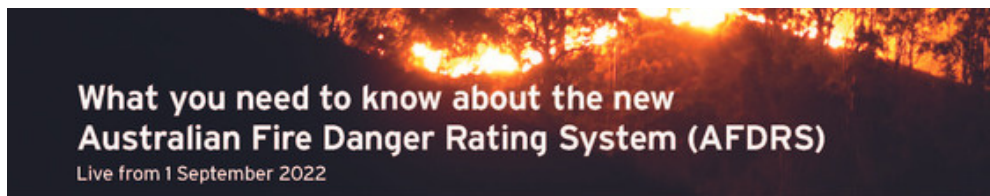

Every year there are on average 756 bush fires throughout South Australia. They destroy homes, properties and lives every summer. You can increase your chances of survival by preparing yourself, your family and your home.

The more you prepare your property - better the chances are that it will survive a bush fire, even if you have a plan to leave well before a bush fire starts.

Council plays a key role in supporting our fire service by conducting block and house visual inspections in and around Robe in the last week of October - first week of November 2022. Council urges you all to prepare your property for the coming season, develop a Bush fire Action Plan and be bush fire ready.

If you would like further information on how to prepare your family and home, contact Councils Fire Prevention Officer on 08 8768 2003 or visit the CFS website [www.cfs.sa.gov.au](http://www.cfs.sa.gov.au)

## Australian Fire Danger Rating System (AFDRS)

<b>MODERATE</b> Plan and prepare	<b>HIGH</b> Be ready to act
<b>EXTREME</b> Take action now to protect life and property	<b>CATASTROPHIC</b> For your survival, leave bushfire risk areas

1

### SIMPLIFIED AND ACTION-ORIENTED

Fire danger ratings describe the potential level of danger should a bushfire start. Redesigned to be simplified and action-oriented, the information provided can help you take action to protect yourselves and others from potentially dangerous effects of bushfires.

3

### 'NO RATING' INTRODUCED

'No rating' is also introduced for days where no proactive action is required by the community. You will still need to be bushfire ready and follow local seasonal laws and regulations, but there is less risk of a fire that starts spreading in a dangerous or life-threatening way.

2

### FOUR AFDRS LEVELS

**Moderate** - Plan and prepare

**High** - Be ready to act

**Extreme** - Take action now to protect life and property

**Catastrophic** - For your survival, leave bushfire risk areas

4

### IMPLEMENTED CONSISTENTLY ACROSS AUSTRALIA

Wherever you are across the country, you will be able to understand the threat posed on any given day and make appropriate decisions to keep you and your family safe.

For more information visit [cfs.sa.gov.au/ratings](http://cfs.sa.gov.au/ratings)

### National Police Remembrance Day

Council attended the National Police Remembrance Day at the Mount Gambier Police Station on 29 September 2022.

The service honoured and remembered the 61 dedicated SAPOL members, and those from other Australasian Jurisdictions who have lost their lives in the line of duty.

We were honoured to lay a wreath and pay our respects to the officers who, sadly never came home. It was also an opportunity to acknowledge the dangers of the policing and the unquestionable dedication of police members.

## MYLOCAL SERVICES APP

MyLocal Services is a mobile phone app that allows you to report a problem within the Council area, receive notifications about waste collection days and check Waste Transfer Station opening times. The app is designed to make it more convenient to find Council information 24/7.

You'll never forget bin day again!

You can also find places 'Near Me' such as parks and playgrounds.

We encourage all residents and ratepayers to download the App. It is very easy to use, and the details are specific to your house location. MyLocal Services App can be downloaded from the Apple App Store and Google Play.

## ENOTICES

Please note that the current rates notices contain a new feature, 'Enotice' which will make it easier for our ratepayers to manage their rates. Ratepayers will need to use the reference number, top right of your rates notice, to login and create a new account:

The benefits of Enotice are;

- It is possible to see both current and previous rates notices using this feature.
- You can choose to have your rates notice emailed directly to you rather than posted.
- To allow ratepayers to update their email addresses and add email recipients. (e.g. if more than one person has an interest in the property)
- For ratepayers who own multiple properties this feature will be of great use, as you are able to add multiple assessments to the one account, creating a more efficient way to manage all properties.

Please note that this function does not allow you to update your residential or postal address, this still needs to be sent directly to Council. This can either be emailed to [council@robe.sa.gov.au](mailto:council@robe.sa.gov.au) or posted to PO Box 1, Robe SA 5276.
