A message from the Mayor

It has been such a great start to 2023 with crowds of visitors and locals enjoying our beautiful town and its beaches! The weather has been kind, providing an abundance of beach days for us all to enjoy (when we get a spare moment!).

I want to take this opportunity to thank our local businesses for all their hard efforts over the busiest period of the year. It is not an easy gig, and you have all done such a wonderful job and I hope you get some time to rest and enjoy this beautiful time of the year. I have scheduled a time to meet with businesses on Wednesday 1 February 2023 from 4:30pm till 6:30pm at the Robe Institute. This will be an opportunity for us to discuss lessons learnt and provide suggestions for ways to improve for the next summer period. I ask that you email the Manager Tourism & Events, Camille Lehmann if you plan on attending: camille@robe.sa.gov.au.

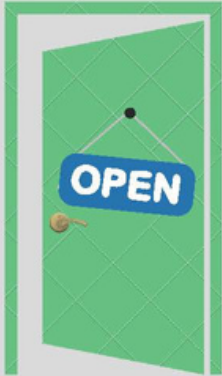

I also want to thank SAPOL Officers for their dedication to help keep our community and its visitors safe over the summer period. The extra support and police presence did not go unnoticed and was key to reducing incidents and damage compared with previous years. It was also great to have the SAPOL boat in Robe policing the waters and ensuring boat users had the correct gear and were operating in a safe manner.

Every Wednesday, I will be available in the Council Office and have my door open to the community as a 'listening post'. If you would like to book in some time to meet with me (over a coffee is preferred!), then please book via Executive Assistant, Molly Murdock: molly@robe.sa.gov.au or 08 8768 2003. I am limiting appointments to 15mins, unless longer is required. If you would like other Councillors involved in the meeting, please notify Molly when booking. I hope you take this opportunity to meet with me for a chat.

District Council of
ROBE

Deputy Mayor Lisa Ruffell in Office on Wednesday's

Every Wednesday the Deputy Mayor will be available in the Council Office and has her door open to our community. If you would like to book some time with the Deputy Mayor, please book via:
Executive Assistant, Molly Murdock: molly@robe.sa.gov.au or 08 8768 2003.
Appointments will be limited to 15mins, unless longer is required. If you would like other Councillors involved in the meeting, please notify the Executive Assistant when booking.

On a more sombre note, it has been a tough couple of weeks for our community with the loss of legendary locals, Rodney McMartin and Gus Fergusson. My condolences are with the families and loved ones of Rodney and Gus.

It was such an honour to pay my respects to Rodney at his funeral and watch the procession of CFS, and emergency service vehicles pass by in Victoria Street. He will forever be remembered as a dedicated and inspirational community member.

This community will miss our local historian Gus who was an incredible researcher and held so much knowledge and passion on our town's history. He also helped countless people by investigating their family histories so they could learn about the ancestors before them.

I would again like to congratulate the Australia Day Award winners for this year. It was a great day for the community to come together and recognise the outstanding service of our Award winners. This year was a particularly moving one with our incredible Dr David Senior being awarded as Citizen of the Year and the late Rodney McMartin receiving the Mayoral Award.

Madeline Wirth was awarded the Young Citizen of the Year and the 'Women Who...' event received the Event of the Year award. The contribution that all our recipients have made to our community is truly inspiring and makes our community so special to be a part of.

Each year we invite a community member (or two) to speak and this year we were privileged to have the wonderful beef jerky making duo, Mike and Cindy Epp. Mike and Cindy talked about their decision to make not only Australia, but Robe their home and the story behind 'Mike's Beef Jerky'.

The District Council of Robe was again a successful grant recipient for the Australia Day Community Event Grant Program, which is assisted by the Australian Government through the National Australia Day Council Government, for use to deliver Australia Day events. This year, Council spent the grant on items and services which enhance and assist with the event, such as outdoor furniture and family friendly games, new projector equipment as well as cleaning and photography services.

As we have just commenced our four-year term as Councillors, I would like to use the next few months to provide the Councillors with the opportunity to introduce themselves so you can get to know them from a more personal level. To kick off, we will start with Cr Nick Brown.

Cr Nick Brown

I have lived in Robe with my wife, Pam, since 2014 apart from a brief working adventure in Alice Springs undertaking the role of Director Council Services for the Central Desert Regional Council. I started my working career with Westpac Bank and worked in a number of regional/rural communities in both SA and NT. In February 2000 I joined Tatiara District Council and started my Local Government career. I have undertaken the Chief Executive Officer and deputy Chief Executive Officer roles during my 22 years in Local Government and I currently work for Kingston District Council.

I decided in late 2022 to nominate for the election of Council members for the District Council of Robe and was successful at the November 2022 election. I nominated as I have a wish to work as a team with the other Council members and the Mayor to make decisions that best represent the needs and interests of the Robe community. I believe Council needs to develop positive relationships with community groups and resolve several outstanding matters from the previous Council's term. I also wish to be part of a Council that acts with respect and integrity and is accountable to the Robe community. I look forward to working with the Robe community to develop the strategic direction that provides the vision, goals and objectives for the future wellbeing of the community.

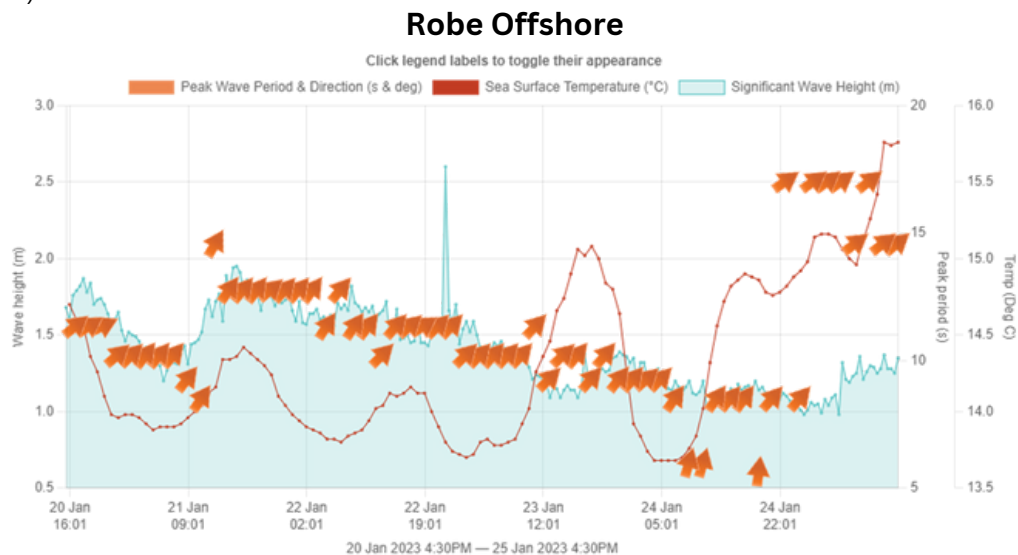

Chief Executive Officer's Report

Wave Data Now Live!

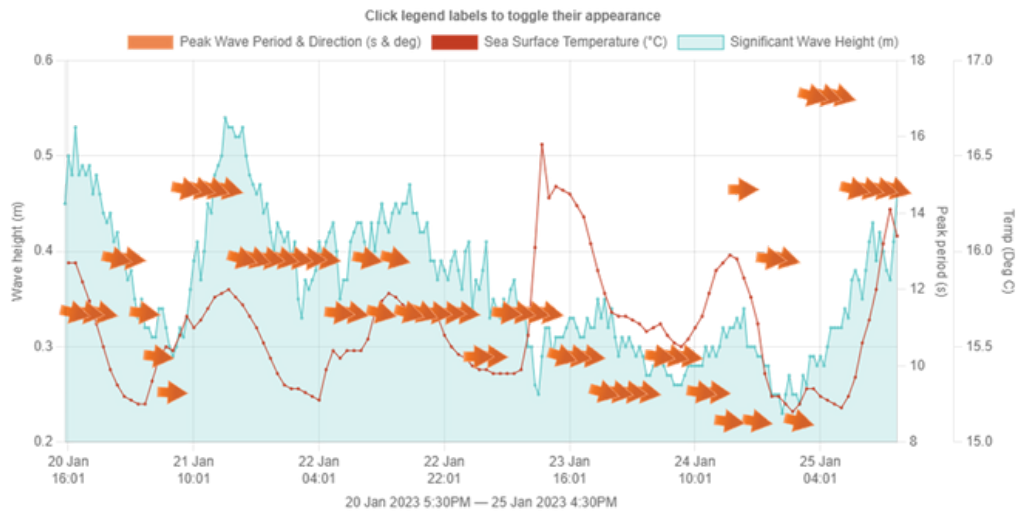

Following on from the Robe's Coastal Monitoring Equipment article in the January 2023 Robe Community Newsletter, I am pleased to advise that we can now all access the live data from our two wave buoys on the SA Waves Website www.sawaves.org.

In summary the live data provides the following:

- Significant wave height in metres
- Sea surface temperature
- Peak wave period in seconds and direction (the direction is based on the compass with North at the top of the graph)

Robe Onshore

Council has made the data publicly available as it can assist with:

- planning for fishing
- planning for surfing
- analysis and research (data can be exported)
- schools for educational purposes
- and so much more!

You will see on the graphs that the offshore waves were from the south west while the waves in the bay were from the west. The sea surface temperature was approximately the same offshore as onshore.

There are five locations, each with their own graph on the SA Waves Website. They are:

- Semaphore and Brighton near Adelaide
- Kangaroo Island
- The two Robe sites

It is interesting looking at our data compared to the three other buoys, particularly the water temperature. The average sea surface temperature at Semaphore was 22.06 degrees while at the same time the onshore Robe was 16.08 degrees.

Lake Fellmongery Ski Lake Closure

Please note that the Lake Fellmongery Ski Lake will be closed temporarily on the following dates due to the annual Slalom Tournament which is part of the State series.

- Saturday 4 February 2023 between the hours of 9:00am and 5:00pm; and
- Sunday 5 February 2023 between the hours of 9:00am and 1:00pm.

Supplementary Election Key Dates

As the Community is aware, we did not receive any nominations for the position of Mayor at the time of the general periodic election in November 2022. Therefore, we now have a supplementary election.

This election process has already commenced with the supplementary roll now closed and nominations for the Mayoral position now open. The key remaining dates for the Supplementary Election are:

- **Nominations close** - 12 noon on Friday 27 January 2023
- **Mail out period for voting packs** - Wednesday 15 February 2023 to Tuesday 21 February 2023
- **Close of Voting** – 12 noon Tuesday 14 March 2023
- **Scrutiny and Count** – To be advised by Electoral Commission of SA

If you have any questions regarding the Supplementary Election, please contact the Deputy Returning Officer, Molly Murdock via council@robe.sa.gov.au or on 08 8768 2003.

Public Consultation on Community Land Management Plans

At it's January 2023 Council Meeting, Elected Members endorsed the following draft Community Land Management Plans to go out for public consultation:

- Draft Community Land Management Plan - Robe Airfield
- Draft Community Land Management Plan - Robe Cemetery

To view the draft documents, please visit Council's website:

www.robe.sa.gov.au/community/public-consultation

If you would like to provide feedback and make a submission on one of the documents out for Public Consultation, please do so by 5:00pm, Monday 27 February 2023 via:

Post: PO BOX 1, Robe SA 5276

Email: council@robe.sa.gov.au

Hand delivered in writing: 3 Royal Circus, Robe SA 5276

No Camping

A reminder that the District Council of Robe will continue to enforce its No Camping- By-Law 2 Local Government Land, Section 9.12 (No) 'Camping and Tents'. This means that camping on any Council land is prohibited and expiation's (fine) will be issued to offenders. The By-Law is defined as: A person must not without the permission of the Council, do any of the following on Local Government Land including Beaches, Parks, Reserves, Car parks:

Erect a tent or other structure of calico, canvas, plastic or similar material, (including swags)

Camp or sleep overnight: (unless in a caravan park)

If you have any questions on this please contact Adam Rayner Senior Community Safety Officer/Harbour Master 8768 2003.

Emerging Leaders Program - Applications Now Open!

Applications for Regional Development Australia Limestone Coast's (RDALC) Emerging Leaders Program are now open!

The Emerging Leaders Program designed for new and aspiring leaders in the Limestone Coast and is open to people from across the region who are ready to broaden their leadership skills through personal growth, self-empowerment, and relationship development.

It is a unique, experiential program that develops personal leadership skills, knowledge of the region and a broad network of professional and community contacts.

The word 'leadership' can be intimidating—but don't let it put you off. Leadership comes in all shapes, sizes, backgrounds and personalities.

Starting in March, Emerging Leaders will predominantly be delivered face-to-face, facilitating essential interaction and enabling strong connections to be formed. Each monthly workshop will be held in a different location around the region and participants will be expected to travel to attend. Participants will also undertake a group project, which will require out-of-session work and collaboration.

The expected outcomes for Emerging Leaders participants are:

- Significant personal growth with an increased understanding of your personality, what's important to you and why
- Increased emotional intelligence and understanding ways to lead and work effectively with a variety of people
- A set of practical tools and skills to support you in your leadership in different contexts
- Feeling confident and empowered to take action and initiate change in areas that are important to you and the community
- Development of deep connections and relationships with your peers and networks of other community leaders.

Places within the Emerging Leaders Program are limited and prospective participants are asked to complete an online application. Find out all you need to know about the Program and the application process on the website.

If you have any questions about the Program, please contact Jess Carolane via email or call 08 8723 1057.

Director of Infrastructure Report

Proposed New Navigation Beacon at Hooper Beach

The Department for Infrastructure and Transport (DIT) is proposing to install a new navigation beacon at Hooper Beach off Seafarers Crescent in Robe to replace an existing navigation beacon located in the adjacent Sea Vu caravan park. The existing beacon is critical for the safe navigation into Robe at night and guides mariners away from rocks and reefs in Guichen Bay.

The existing beacon is over 50 years old and needs to be replaced as it has reached the end of its design life. The existing beacon is located between caravan park cabins making it difficult for DIT to service the beacon with a boom lift and also affects access and manoeuvrability for caravan park users.

The new beacon needs to be installed in the vicinity of the existing beacon to ensure it is seen by mariners, however with advances in lighting technology, the new beacon structure can be significantly smaller.

Location of existing navigation beacon

Proposed location of new navigation beacon

DIT is proposing to install the new beacon outside the caravan park area on Hooper Beach (refer to map above) between the high water mark and the bottom of the sand dunes. The new structure will consist of a steel pile covered with a black plastic sleeve, a platform and a light. The structure will be approximately five metres high above beach level. This location has been selected as the new structure will be hidden by the dunes and will not be seen from most residences. The light that flashes at night is blacked out on the land side and will not be seen from the adjacent residences.

DIT is seeking feedback from local residents and the community about this proposal. All queries, comments and feedback should be emailed to dit.marineassets@sa.gov.au by 1 March 2023.

Public Consultation - Draft Buildings and Structures Asset Management Plan

Pursuant to the Local Government Act 1999, Council is consulting with the community on the draft Building and Structures Asset Management Plan.

To view the draft document, [click here](#) or visit Councils Office at 3 Royal Circus, Robe SA 5276, by telephone on (08) 8768 2003 or by email council@robe.sa.gov.au

Consultation Period: Friday 20 January 2023 to 5.00pm Monday 27 February 2023

Interested persons are invited to make written submissions to the Chief Executive Officer of the Council by close of business on Monday 27 February 2023 by email council@robe.gov.sa.au or by post PO Box 1, Robe SA 5276.

Limestone Coast Landscape Board take the lead to protect shorebirds the summer

Visitors and residents of the Limestone Coast are urged to take the lead this summer and help protect shorebirds along the coast. By keeping your dog on a lead while visiting beaches you are helping protect shorebirds from predators. Take the lead is an initiative of the Our Coorong | Our Coast project supported by the Limestone Coast Landscape Board, through funding from the Australian Government's National Landcare Program which aims to restore and protect the habitat of beach nesting and migratory shorebirds throughout the Coorong and Limestone Coast.

Finally, a user-friendly Marina online booking system - Now Live!

Council recently engaged a specialist booking vendor to supply a Cloud-based Marina Management System designed to make it easy for our customers to make Marina bookings, from your desktop, laptop computer or mobile phone.

You can now make ALL your booking needs (for both a Marina and/or Boat Ramp) ONLINE.

The system will guide you easily throughout the whole process and even provides functionality for you to view which berths are still available so you and your friends can book adjacent berths.

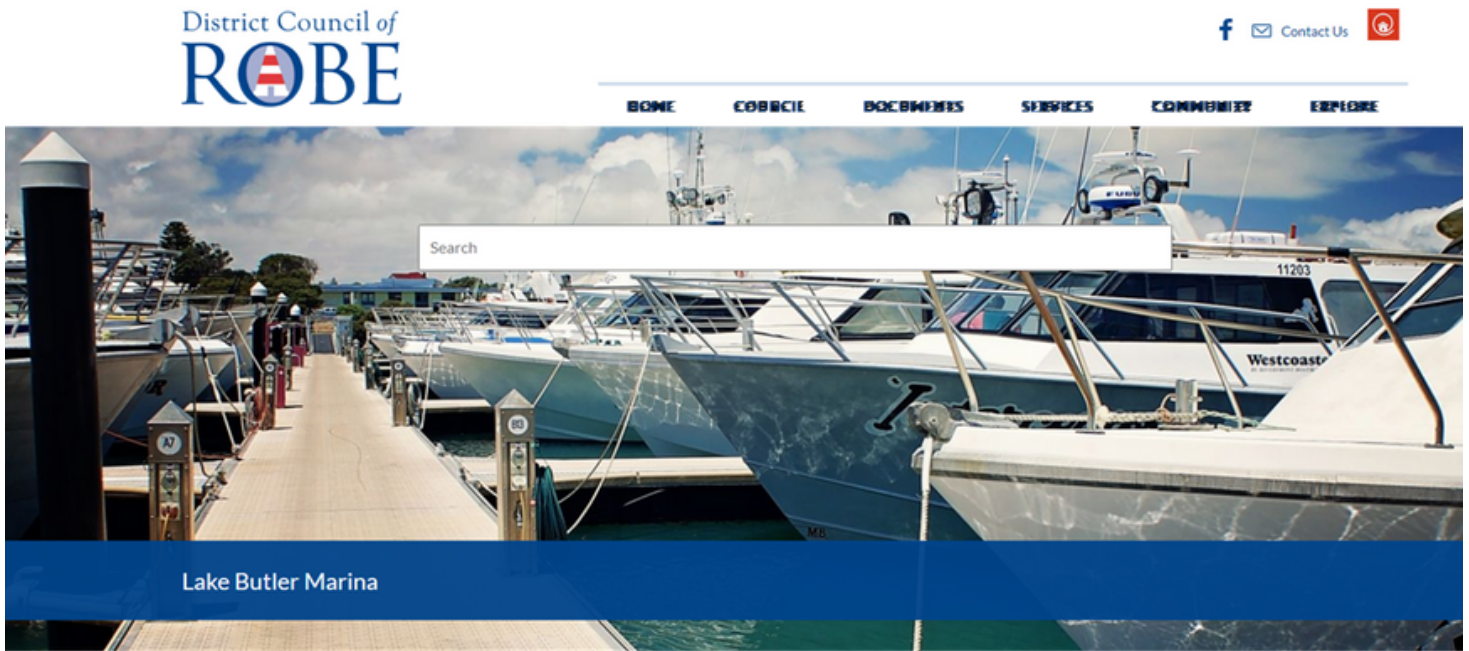

It then allows for an easy online payment experience.

All done, in just a few minutes!

Check it out now on our Council website <https://www.robe.sa.gov.au/>

You can easily locate the link under the **SERVICES** tab and then select **LAKE BUTLER MARINA**.

We would welcome any feedback as to how you have found the booking experience by emailing council@robe.sa.gov.au

MYLOCAL SERVICES APP

My Local Services is a mobile phone app that allows you to report a problem within the Council area, receive notifications about waste collection days and check Waste Transfer Station opening times. The app is designed to make it more convenient to find Council information 24/7.

You'll never forget bin day again!

You can also find places 'Near Me' such as parks and playgrounds.

We encourage all residents and ratepayers to download the App. It is very easy to use, and the details are specific to your house location. MyLocal Services App can be downloaded from the Apple App Store and Google Play.

ENOTICES

Please note that the current rates notices contain a new feature, 'Enotice' which will make it easier for our ratepayers to manage their rates. Ratepayers will need to use the reference number, top right of your rates notice, to login and create a new account:

The benefits of Enotice are;

- It is possible to see both current and previous rates notices using this feature.
- You can choose to have your rates notice emailed directly to you rather than posted.
- To allow ratepayers to update their email addresses and add email recipients. (e.g. if more than one person has an interest in the property)
- For ratepayers who own multiple properties this feature will be of great use, as you are able to add multiple assessments to the one account, creating a more efficient way to manage all properties.

Please note that this function does not allow you to update your residential or postal address, this still needs to be sent directly to Council. This can either be emailed to council@robe.sa.gov.au or posted to PO Box 1, Robe SA 5276.

SALLY O'CONNOR Growing up on a farm near Meningie, Sally went on to study Science and has since worked as a teacher and in aviation maintenance. Since retiring, she has actively pursued art. Attending workshops in drawing, oil painting, watercolours, and printmaking, including Japanese woodblock. Inspiration from nature and studies in Botany have fuelled her imagination. Her work is contemporary, mostly semi-abstract, incorporating simple line drawing or development of themes and design.

SUE SHAW Although born in Victoria, Sue spent time in her childhood in both Tasmania and South Australia. On completion of high school, she was equally drawn to art and science. Pragmatism won out studying a major in Botany and Zoology in Adelaide, with further post-graduate study of Entomology in Queensland. While spending her working years in palaeobotany, natural resources, and forestry research, she continued to pursue art as circumstances allowed. Light and paper have always been a fascination: exploring various printing techniques that incorporate sunlight in the process. This along with patterns, colours and textures, found in her interest of the natural world, are a feature in her work.
