Mayor's Report

Dates to Remember:
Wednesday 2 January: Council Office Reopens
Tuesday 15 January: Council Meeting
Saturday 26 January: Australia Day Celebrations at the Institute

I hope everyone has a terrific Christmas and New Year.
Our summer visitors have been here in force making our town and district vibrant and prosperous.

The new Medical Centre is open and fully functional. Well done to everyone involved in getting this large project completed for our community. I'm sure the special people who provide our medical services 24/7 are also grateful.

The Obelisk remains closed to vehicles but is open to foot traffic. We know this has caused some grief during summer, but Council will always err on the cautious side to protect our locals and visitors. As our coastline changes, we will be forced to look at many aspects of coastal access and infrastructure in our community.
Council will be having a community meeting in 2019 to get ideas from the community regarding these issues. The date will be set in the new year and will be advertised on the website and in the Community Newsletter.

Our current CE Roger Sweetman will be retiring in April after 43 years in Local Government and the search for his replacement is well underway.

The Elected Members have undergone significant training since their election and are working hard to get up to speed on the many issues we have facing us. We are currently developing a work schedule for 2019 so the community can see what we will be doing and when. We hope this will be helpful to the community in getting their thoughts into Council as their issues of interest arise.

The Australia Day Awards are a highlight of the year and I wish to congratulate Marcia Dening-Wasson on receiving the Citizen of the Year and the Robe to Recovery program as the Community Event of the Year. Our community is grateful for the time and effort you have put into making Robe a terrific place to live.

All Elected Members enjoy community feedback so please contact us if you wish to have an input into Council. Contact details can be found on the back page of the newsletter, or on the website.

I am at the Council office most Mondays so please feel free to drop in or I'm happy to have coffee anytime!

Change of January Council Meeting Date

The District Council of Robe's January 2019 Statutory Council Meeting will be held on Tuesday 15 January 2019 at 6.00pm in the Council Chambers. An agenda will be available on Council's website from 10 January 2019.

Road Closure Australia Day 2019

Notice is hereby given of the following temporary road closure on Saturday 26 January 2019 between 7.00am and 11.00am for the purpose of the Australia Day Ceremony 2019 Celebrations.

- Victoria Street, between Smillie/Victoria Street intersection and Bagot Street/Mundy Terrace intersection.

2019 Waste Collection Calendars

Please collect the 2019 Waste Collection Calendar from the Council Office or Library/ Visitor Information Centre. There is a weekly recycle collection for the month of January 2019 beginning on Thursday 27 December 2018.

CEO's Report

Australia Day Celebrations
A warm welcome is extended to all community members to participate in the Councils Australia Day Breakfast which will be held on the 26th of January commencing at 8.00am at the Robe Institute Lawns.

Major Capital Projects

Medical Centre Upgrade
The redevelopment of the Medical Centre is complete and has been officially opened.
This new facility will greatly improve the Medical and Allied Health services that will be able to be provided within Robe and I would like to thank the clinic and their patrons for their patience while this project was being undertaken.

Foreshore Main Beach
The irrigation has been reconstructed and new grass sown.
With the exception of the installation of the handrails, the access ramp and sea wall has been completed and provides new infrastructure for the town that will service the local community and visitors for many years to come.

Hooper's Beach and Fox Beach
Council has received the Dune Erosion Assessment reports for both Hooper's Beach and Fox Beach and a copy of these two reports are on Councils website.
Council will be implementing some of the recommendations contained within the report within the upcoming months – signage, sand replenishment and vegetation management and will be considering implementing the other recommendations contained within the report after consultation with the adjoining property owners.

Annual Report
Council has adopted its Annual Report for 2017-2018 and a copy is available on Councils website.

Vehicle Access to the Obelisk
Acting on advice contained within a Geotechnical Engineering Survey, Council has had to restrict vehicle access to the Obelisk carpark due to cliff stability issues.
Council has enlarged the carpark at the Old Gaol to cater for increased car parking and will be installing signage to inform the community of these changes.
Council expect to receive the full Geotech report in January and the community will be advised of any changes to access and parking within this locality.
Pedestrian access to the Obelisk is still permitted.

Food Business Notifications

All businesses and activities that involve selling food must notify their local council.

Who should notify?

A food business means a business, enterprise or activity – other than a primary food production business – that involves:

- handling food intended for sale
- selling food.

This is regardless of whether the business, enterprise or activity is of a commercial, charitable or community nature or whether it involves the handling or sale of food on one occasion only.
Mobile food businesses should notify the council in which the vehicle is normally garaged.
You need only complete the notification process once unless your details change.
Please note registration is FREE and only takes a couple of minutes of your time to complete.

How to notify

Complete the Food Business Notification Form or Home Based Food Business Application Form (available on Council's website or from the Council office).

For further information please contact Catarina Santos, Environmental Health Officer on 0427 330 933.

WANTED - used postage stamps

Margie Thomas from the Robe Lions Club is collecting used postage stamps for the Lions Australia Stamp Club.
Each year, the Stamp Club trades both Nationally and Internationally with fellow Lions members. ALL profits from their trading, generally about $6,000 to $7,000, is then donated to the Australian Lions Mobility Fund who use the money to purchase mobility walkers. These machines enable severely physically handicapped children to walk and be mobile, often for the first time and each unit can cost several thousand dollars each.
If you are able to help, please drop the stamps off to either the Post Office or Lions shop 'Second Chance'. Alternatively, ring Margie on 0418 806 775.
