

Engaging in Ageing – Exhibitor Expression of Interest Form

The District Council of Robe invites expressions of interest from community groups, service providers, health practitioners, local businesses and organisations to participate in our inaugural *Engaging in Ageing Expo*, to be held on Wednesday 1 October 2025 at the Robe Institute.

Delivered as part of SA Health's *Week of Ageing Well*, this free community event will celebrate positive ageing and showcase the range of services, supports and opportunities available to help older members of our community live healthy, active and connected lives.

Exhibitors are invited to showcase their products or services available in or around Robe by hosting information stalls, deliver demonstrations or talks, or present interactive displays that support the themes of wellbeing, lifestyle, mobility, connection and community.

Participation is free, and places are limited. Council encourages early submissions to assist with program planning.
